

Alumni Program Sponsorship Opportunities

Each summer, SOTC offers a one of a kind opportunity for our incoming cohort. Not only do our students receive excellent work experience through paid internships, but they also have the opportunity to experience everything Cleveland has to offer through our 40+ events. These events give the cohort an opportunity to bond and explore all Cleveland has to offer.

Providing these events each summer comes at a cost and wouldn't be possible without the support of our alumni and corporate sponsors.

Every Dollar Adds Up!

We try to keep costs down and seek in-kind donations when possible, but some events still come with a significant expense. Every bit of financial support received can cut down these expenses when combined. Tickets to a show at Playhouse Square cost \$750, but if 10 alumni are able to donate \$75 each, these tickets can be covered through a group effort.

Unable to donate monetarily?

No problem! We welcome in-kind donations for our students as well. These might include local business gift cards, items for our welcome 'goodie bags,' or even gently used bikes and helmets to help our students get back and forth to work. SOTC also welcomes in-kind donations in the form of color printing, t-shirt screen printing, or similar services.

With the support of alumni like you, we will be able to continue offering unique programming opportunities. Please consider the best way you might support our students this summer!
